Gag reflux: 2019 retrospective Part 2

BY PAT MYERS

Week 1363 was Part 2 of our retrospective, in which we invited readers to enter (or reenter) any of 24 recent contests.

4th place:

Week 1349: Find a sentence in the Congressional Record and pair it with your own questions: CR: "It is one of the reasons all of us who got elected to this office decided to do it."

Q: Hey, senator, did you enjoy that two-week junket to Hawaii? (Beverley Sharp, Montgomery, Ala.)

3rd place:

Week 1337, riddles with an

anagram in the punchline: Where can you be sure to find Republican Senator Lindsey Graham's nose?

[The answer is an anagram of the question above:] Consensually buried in the creases of Trump's orange behind, a year now...(Jon Gearhart, Des Moines)

2nd place and the skull-motif mouth-covering scarf:

Week 1340, slightly change a famous name:

Mick Nagger: "Can't always get what you want? Well, if you'd just try sometimes . . . " (Rob Huffman, Fredericksburg)

And the winner of the Lose Cannon:

Week 1357, song parodies about the news:

Love Song of Mitch McConnell (to "Right Here Waiting")
Rambling tweets, paranoid swill,
Sure, you might have gone insane.
But there are benches left to fill,
So I surely won't complain.
Each time you name a crackpot,

Whatever you say, whatever you

I know I've hit the jackpot

I will bless right-wing judges for

Keep naming those flakes; I won't apply brakes.
Alive and right-wing? I'll move 'em

through.

They'll side with business, they'll wipe out *Roe*;

No more rules when I campaign. What do I care if you held up dough Or if you shook down Ukraine? Each day more folks are squirmin', But I'm still here, confirmin'.

Whatever you say, whatever you

I'll push through cranks and zealots for you. Unqualified hacks? I'll have all their backs.

Hey, send Don Jr.! He'd be fine, too. (Duncan Stevens, Vienna, Va.)

Redo-nothings: Honorable mentions Week 1336, things you could say in two different situations:

Something you might hear at a job interview and in bed:
"Is there any way you can enhance the size of the package?" (Mark Raffman, Reston)

At the doctor's and when Trump visits

"Will this lump go away on its own?" (John Hutchins, Silver Spring)

At the supermarket and the doctor's: "Looks like you're ready to check out." (Tom Witte, Montgomery Village)

Week 1337, riddles with anagrams:

Q. What name change has the president proposed for the nation's highest tribunal?
A. The SUPER ME Court. (*Chris Doyle, Denton, Tex.*)

Q. What civil rights leader was falsely accused of being a communist?

A. The NEVER-RED Martin Luther King. (Mark Raffman)

Week 1340, change a famous name:

Dee Nye the Science Guy: Fox News's new climate expert. (Ryan Martinez, Takoma Park)

Joe Bidet: A Washington fixture. (Jon Ketzner, Cumberland, Md.)

Week 1341, combine two words into a portmanteau: Perplexiglass: What fun house

Perplexiglass: What fun house mirrors are made of. (Raymond Gallucci, Frederick)

Foxygen: Evidently Grandpa can't survive if you turn it off. (Hildy Zampella, Alexandria)

Kowtownhall: A staged forum where the candidate answers "questions" like "What inspired you

New contest for Week 1367: Pick me up at work, okay?

Pickup lines from . . .

An auto mechanic: "I might need the whole weekend for this inspection."

A highway maintenance worker: "Hey, baby, what's your sign? I hope it's 'yield."

Mitt Romney: "Your place, mine, mine, mine, mine, mine, mine, mine, or mine?"

As One-Man Style Invitational Ink Factory Duncan Stevens suggested: **Give a pickup line from someone in a particular profession, or from a particular person or fictional character,** as in Duncan's examples above.

Submit up to 25 entries at *wapo.st/enter-invite-1367* (no capitals in the Web address). Deadline is Monday, Jan. 27; results will appear Feb. 16 in print, Feb. 13 online.

Winner gets the Lose Cannon, our Style
Invitational trophy. Second place receives a pair of black
and gray socks with a picture of a rather slim Donald
Trump with the legend "We Shall Overcomb." For better
or for worse, these are the kind of socks that don't show
above your shoe. Donated by Hall of Fame Loser Beverley
Sharp.

Other runners-up win one of our new "For Best Results, Pour Into Top End" Loser Mugs or our "Whole Fools" Grossery Bag. Honorable mentions get one of our lusted-after Loser magnets, "Too-Weak Notice" or "Certificate of (de) Merit." First Offenders receive only a smelly tree-shaped air "freshener" (FirStink for their first ink). See general contest rules and guidelines at wapo.st/InvRules. The headline "Gag Reflux" is by Kevin Dopart; Chris Doyle wrote the honorable-mentions subhead. Join the lively Style Invitational Devotees group on Facebook at on.fb.me/invdev. The Style Conversational: The Empress's weekly online column reviews each new contest and set of results. And this week she shares some of the song parodies "performed" last weekend at the Losers' Post-Holiday Party. Check it out at wapo.st/conv1367.

to become such a dedicated public servant?" (J. Larry Schott, West Plains, Mo.)

Recantankerous: III-tempered about having to walk back a lie. (Jonathan Jensen, Baltimore)

Week 1344, limericks featuring "gr-" words:

Lady Liberty

Her coppery skin has turned green, Her welcoming lamp is still seen, But her engraved invitation To join this great nation? Valid only if you're Europeen. (J. Larry Schott)

Week 1345, fake trivia about food:

Fifty years later, President Trump could not forget the grainy blackand-white images of the Frito Bandito stealing Americans' corn chips. (Steve Smith, Potomac)

Florida leads the nation in the production of fruitcakes. (Jesse Frankovich, Lansing, Mich.)

On Buddha's birthday, Jews in China go out to eat in American restaurants. (Neal Starkman, Seattle)

Before a crackdown by the thennew FDA, Manwich contained up to 11 percent man. (Bill Dorner, Indianapolis)

Week 1346, neologisms starting with A and ending in Z, B-Y, etc.: Brothely: Describing love, but not the Philadelphia kind. (Beverley

Week 1349, questions from Congressional Record sentences:

A. "That was an important first step, but we need to do more." Q. What did Neil Armstrong's tiger mom say to him when he got back home? (Steve Honley, Washington)

A. Let's think of what that means. Q. President Clinton, now that we know what "is" is, what should we think of next? (Beverley Sharp)

Week 1353, change a word in a movie title to its opposite: Fixed-Front Mountain: Ennis and

Fixed-Front Mountain: Ennis and Jake inexplicably decide to get vasectomies. (Mark Raffman) A Whole Lot of Day Music: A newcomer to a gentrifying D.C. neighborhood calls the cops on the go-go that's playing at the local cellphone shop. (Steve Honley)

The Teeny Inferno: A fire breaks out in Donald Trump's library. (Duncan Stevens)

Mary Pop-Outs: In a sequel to "A League of Their Own," slumping Mary O'Hara hits flyball after flyball. (John Shea, Philadelphia)

I Know What I Did Last Summer: In this sequel to "Partial Recall," a diplomat suddenly regains his memory with the help of a congressional subpoena. (Frank Osen, Pasadena, Calif.)

Week 1355, "air quotes": K"ale": You have your health food, I

have mine. (Roy Ashley, Washington)
Suffo"cat"e: To sleep on a person's

face. (Jesse Frankovich)

Week 1357, song parodies:

(To "All I Want for Christmas")
He don't care about Burisma,
He could not be any blunter.
He just wants a nice neat package
With the heads of Joe and Hunter.
Shouting on the telephone,
"Gordon, are you there alone?"
"Oh, sir, you know it's true,
This call, it's all just me and you!"
(Frank Osen)

And Last: **Congressional Record:**A. Students, middle-class families, homeowners and seniors across this nation are the losers.
Q. Well, if I didn't get any ink in the Invite this week, who did? (Drew Bennett, West Plains, Mo.)

And even Laster: **Air quotes;** Invi"tat"ional: With this contest, you literally get ink. (Roger Dalrymple, Gettysburg, Pa.)

More honorable mentions, including video and cartoon captions, in the online Invite at wapo.st/invite1367.

Still running — deadline Monday, Jan. 20: Our contest for new terms that include the letter block L-I-A-R in any order. See wapo.st/invite1366.

73 Tip-top

HAPPY BIRTHDAY | Jan. 19: This year, you will be more deliberate and reflective than in the recent past. You might finally be in the position to help manifest more of what you want. You will need to be deliberate when determining and pursuing your goals. If single, you might want to focus on dating. Several people you meet will be great companions. Be honest if you desire more. If attached, the two of you set some admirable goals. You are likely to succeed if you can discipline yourselves. Sagittarius can annoy you.

ARIES (March 21-April 19)
You might be in the mood to break recent patterns that do not work for you. Invite a friend or head out by yourself for a drive so that you can focus on your thoughts and feelings.

TAURUS (April 20-May 20) Others come toward you. Be responsive, but allow yourself to say no to an invitation or suggestion. You might want to make several important calls before making plans.

GEMINI (May 21-June 20) Clear out errands and other leftover to-dos. Some of you might even decide to get a head start on your taxes. A loved one or dear friend might want a serious talk. Listen and understand where they are coming from.

CANCER (June 21-July 22)
You might have to deal with a loved one who seems overly serious.
Think carefully about how you would want to be treated if you were the other party. Follow through accordingly.

LEO (July 23-Aug. 22) You might enjoy some downtime at home. Many of you might consider following through on certain personal matters that you have been putting on the back burner, but allow some distraction to filter in, too.

VIRGO (Aug. 23-Sept. 22) You might be overly busy dealing with mail, paying bills or returning calls. You might even be lured out the door for a late brunch. Mull over some information before reacting.

LIBRA (Sept. 23-Oct. 22) You might be inclined to either pay

off your bills or see if you can hard to help you lighten up. You eak indulge in a splurge. Many of you might want to explain that you w

SCORPIO (Oct. 23-Nov. 21)
You beam in more of what you want. Others seem to be easily persuaded to join in on a great idea. Note that someone who has difficulty agreeing to the idea just wants to be flattered.

will go directly to the splurge. Deal

with an older friend or relative.

SAGITTARIUS (Nov. 22-Dec. 21)
You could be away most of the day, as you have personal matters you would like to handle. Once you have cleared much of what you wanted to accomplish, you plunge into the social scene.

CAPRICORN (Dec. 22-Jan. 19)
A friend or loved one might work

hard to help you lighten up. You might want to explain that you want some peace and quiet or that you are going through a personal matter. Be flattered by this person's attention.

©2020 Tribune Content Agency, LLC

AQUARIUS (Jan. 20-Feb. 18)
You might not have a choice to do anything but make a must appearance. Whether social or professional, you could find that you like the interactions. Make some time to get together with friends, too.

PISCES (Feb. 19-March 20)
Consider taking off for a few days to relax or get into a favorite sport.
You do not need to justify the reason. A lot of people have cabin fever. A friend might need some time to discuss a serious matter.
