#### THE STYLE INVITATIONAL

# Doubled features: 2-in-1 movie lines

#### **BY PAT MYERS**

In Week 1394, the Empress asked the Loser Community to sum up two different movies or TV shows with the same line (old or new), or offer a line of dialogue that would work in both. If you don't get the reference, check the online Invite at wapo.st/invite1398 for some explanatory links. And see this week's Style Conversational at wapo.st/conv1398 for some equally funny entries that were submitted by too many people.

#### 4th place:

The West Wing and The Beverly Hillbillies: Jed is living in the big. fancy house now, and a lot of folks up the hill aren't at all pleased. (Hildy Zampella, Alexandria)

#### 3rd place

It's from South Pacific but it would also work in There's Something About Mary: "I'm Gonna Wash That Man Right Outa My Hair." (Jeff Shirley, Richmond)

#### 2nd place and the grimacing face mask:

A line from Casablanca that could be from 1984: "Here's lookin' at you, kid." (Gary Crockett, Chevy

#### And the winner of the **Lose Cannon**

It would fit both Sex, Lies, and Videotape and Flowers for Algernon (or Charly): "PERSON WOMAN MAN CAMERA TV" (Duncan Stevens, Vienna, Va.)

#### Two thumbs down: **Honorable mentions**

Das Boot and Judy: "She's finally hit bottom! Let's pump her out and see if she gets going again." (Frank Osen, Pasadena, Calif.)

### Apollo 13 and The Alamo:

"Houston, we have a problem." (Lawrence McGuire, Waldorf; Bill Lieberman, Ellicott City)

#### The Irishman and Rudolph the **Red-Nosed Reindeer:**

Unexpected developments challenge an aging bagman. (Mark

On the Waterfront and The Invisible Man: "I could have been some body." (Larry Rifkin. Glastonbury, Conn., a First Offender)

Noah and My Fair Lady: A report on rainfall causes great excitement. (Pamela Love, Columbia)

This Old House and Dexter: "You'll want to put down plenty of plastic sheeting so it'll be easy to

clean up later. Now take your power saw . . . " (Josh Feldblyum, Springfield, Pa.) "Look at that beautiful powder -

it's everywhere!" would work for both White Christmas and The Wolf of Wall Street. (Bruce Reynolds, Grand Rapids, Mich.)

"We've been digging up dirt all day, but tomorrow . . . we get to dig up more dirt!" Holes and All the President's Men. (Matt Monitto, Bristol, Conn.)

A line from "Pinocchio" that could be in both Roxanne and The American President: "A lie keeps growing and growing until it's as clear as the nose on your face." (Chris Doyle, Denton, Tex.)

A Harry Potter movie or When Harry Met Sally: "Trust me, Harry, wands aren't magical all the time. Sometimes you just have to fake it." (Hildy Zampella)

Barbershop and Gypsy: "How about takin' a little more off the top?" (Lynne Larkin, Glenn Dale)

"Let's go to the Neighborhood of Make-Believe": Mister Rogers' Neighborhood and HGTV's **Beachfront Bargain Hunt.** (Jennifer Martin Broadway, Marquette, Mich.)

BOR STAAKE FOR THE WASHINGTON POST

## New contest for Week 1398: This is the year that is

If your dog saw 2020 on the ground, he'd roll in it.

If 2020 were mail, it'd be for a low-low-teaserrate credit card (36 percent rate thereafter in the 2point type).

If 2020 were a form of leisure, it'd be an earwax clean-out session.

We just heard: There are now fire tornadoes. Just as "he could not possibly stoop any lower" could have been on a computer save-key of many a political columnist for the last four years, the year 2020 just keeps on outdoing itself with all sorts of novel reasons for despair, fear and universal hand-wringing.

But Lemonade-From-Lemons Loser Duncan Stevens suggests a way to at least get some silly swag off the *annus* superextraultrahorribilis: This week: Describe the year 2020 in a novel, colorful metaphor or simile, as in Duncan's examples above. You may also offer an original graphic, but the photo or artwork can't be lifted from someone else, and it can't be amateurish-looking; the Empress would have room for two at the most. There's already a fair amount of creative 2020-bashing out there, so check out your own idea to see if it's already spreading like you-know-what across the Internet.

Submit up to 25 entries total at wapo.st/enter-invite-1398 (no capitals in the Web address). Deadline is Monday, Aug. 31; results will appear Sept. 20 in print, Sept. 17 online.

Winner gets the Lose Cannon, our Style Invitational trophy. Second place receives this dignified face mask, just the thing for your next court hearing or funeral; it's modeled (with barriers) by the Empress, in an echo of her own gaptoothed smile.

Other runners-up win their choice of our "For Best Results, Pour Into Top End" Loser Mug or our "Whole Fools" Grossery Bag. Honorable mentions get one of our new lusted-after Loser magnets, "No 'Bility" or "Punderachiever." First Offenders receive only a smelly tree-shaped air "freshener" (FirStink for their first ink). See general contest rules and guidelines at wapo.st/ *InvRules*. The headline "Doubled Features" is by Kevin Dopart; Kevin also wrote the honorable-mentions subhead. Join the Style Invitational Devotees group on Facebook at on.fb.me/invdev; "like" the Style Invitational Ink of the Day on Facebook at bit.ly/inkofday; follow @StyleInvite on Twitter.

**▶** THE STYLE CONVERSATIONAL The Empress's weekly online column discusses each new contest and set of results. See this week's at wapo.st/conv1398.

How the Empress manages to smile after 1,400 entries. The mask is this week's 2nd prize.

**Treasure of the Sierra Madre** and an upcoming Portlandia: "We don't need no stinking badges!" (Howard Walderman, Columbia; Frank

Osen; Mark Raffman)

Frozen and Blazing Saddles: "Did someone say, 'Let it go'?" (Michelle Christophorou, Guildford, England)

How to Lose a Guy in 10 Days and Last Tango in Paris: "If all he does is butter you up, get rid of him." (Chris Doyle)

Babette's Feast and Basic Instinct: "My, that is indeed a lovely spread." (Mark Raffman)

Pee-wee's Big Adventure and E.T.: "Shh! I'm trying to use the phone!" (Jonathan Jensen, Baltimore)

"I'll think about it tomorrow": Gone With the Wind and An Inconvenient Truth. (Lori Smith, McLean, a First Offender)

The Blob and There's Something About Mary: A little gel goes a long way. (Tom Witte, Montgomery

This Old House and Saw: "Y'know, this one has really good bones." (Sarah Walsh, Rockville)

The Longest Day and Marathon Man: Yanks are coming. (Jon Ketzner, Cumberland, Md.)

"You never really understand a person until you . . . climb inside of his skin and walk around in it": To Kill a Mockingbird and Invasion of the Body Snatchers (Jon Gearhart, Des Moines)

The Guns of Navarone and Boogie Nights: "How many of us will we need to take it out?" (Wayne Debban, Woodbridge, a First Offender)

The Princess Bride and RBG: "Oh, no! Here comes the Dread Pirate Roberts!" (Duncan Stevens)

**Forrest Gump** and **The Help**: "Sometimes life is like a chocolate pie. You better know what you're gonna get." (Kevin Dopart)

Still running - deadline Monday night, Aug. 24: Our contest for ideas for man-in-desert cartoons and other tropes. See wapo.st/invite1397.

BY MADALYN ASLAN

HAPPY BIRTHDAY | Aug. 23: Intense, poised and energetic, you can accomplish anything you set your mind to. This year, you accomplish most after midyear. You initiate your own project, which is very successful and you enjoy enormously. If single, you appear cool (although you are not) and generally discourage suitors without realizing it.

If attached, you are in a kind of heaven and can finally, purely, relax. Virgo is with you completely.

ARIES (March 21-April 19) Today accents the value of cooperation. Long-range financial planning, perhaps involving an inheritance, taxes or a settlement, will be a focus. The beautiful orchid, representative of beauty and refinement, is your flower.

TAURUS (April 20-May 20) A new artistic venture brightens this Sunday. Happiness is shared with one you love very much. Offer an exchange of small, meaningful gifts. Charm a loved one with a poem or greeting card. You discuss your interesting experiences.

GEMINI (May 21-June 20) Today emphasizes the consequences of longtime health habits and the impact your work environment has on your health. Begin to make changes for the better regarding diet and other lifestyle choices.

CANCER (June 21-July 22) Relationship prospects improve today. A cherished bond grows and matures through much, much honest talking. Partnerships of all kinds emphasize responsibility. Reflect upon what others bring to vour life.

**LEO** (July 23-Aug. 22) A family member would appreciate support and encouragement. Focus on creating a beautiful, peaceful home environment for the rest of summer. You will be aware of how family life has evolved over the past year.

**VIRGO** (Aug. 23-Sept. 22) Double-check facts. Plans are in flux; it's important to communicate and verify plans with others. Allow extra time if traveling. There's a rushed quality prevailing. Much is happening simultaneously, yet you thrive on the fast pace.

LIBRA (Sept. 23-Oct. 22) Today accents past financial patterns. Avoid repeating what hasn't worked before. You will feel especially motivated and energetic, but keep a handle on irritation with a partner.

**SCORPIO** (Oct. 23-Nov. 21) You seek ever deeper insight into meaningful matters. You are able to appreciate life's ironies and coincidences with subtle humor. Today your charisma level is at a peak, and both business and personal situations are promising.

SAGITTARIUS (Nov. 22-Dec. 21) Today emphasizes reverie and privacy. As the day begins, you will be in the mood for quiet contemplation. You can feel connected with the natural world and wild creatures. There is a surprise announcement involving a partner.

CAPRICORN (Dec. 22-Jan 19) Your circle of friends widens. It's a good time to become more active within a worthwhile organization. The day furthers the scope of your goals. This can encourage you to discard a situation you've outgrown.

©2020 Tribune Content Agency, LLC

AQUARIUS (Jan. 20-Feb. 18) Diplomacy is a must in coping with complex social situations. This softens tensions and dissolves a problem. Today also favors creative writing and photography.

PISCES (Feb. 19-March 20) Your sector of travel and communication is accented. The pace is rapid. Heed conversations and newscasts. It's worthwhile to keep up with current events, both in your own social circle and the world at large.
