He's not sweet on using her name

**LET MYRO**

I can see where you're coming from. This is not what I expected, but it makes sense. You're not trying to hide your identity, but rather you're trying to protect your privacy. I understand your concerns and I respect your decision.

**My mom is such a busybody. She always wants to know what I'm doing and where I am. I don't like her hovering over me.**

I can understand your feelings. It's important to have space and independence, especially as a teenager. It's good that you're able to communicate your needs to your mom. It's also important for her to understand your perspective.

**She's always asking me questions about my friends and my social life. It makes me feel like she's controlling me.**

It's natural for parents to want to be involved in their children's lives, but it's also important to have a balance. It's good that you're able to express your feelings to your mom. It's important for her to understand your perspective.

**I feel like she's always trying to fix everything for me. She won't let me make my own decisions.**

It's important for parents to guide their children, but it's also important for children to make their own decisions. It's good that you're able to express your feelings to your mom. It's important for her to understand your perspective.

**She never lets me have any fun. She never lets me go out with my friends on the weekends.**

It's important for parents to balance work and leisure for their children. It's good that you're able to express your feelings to your mom. It's important for her to understand your perspective.

**She never lets me do anything without her approval. I feel like I'm living in a cage.**

It's important for parents to have a say in their children's lives, but it's also important for children to have autonomy. It's good that you're able to express your feelings to your mom. It's important for her to understand your perspective.

**She never lets me do anything without her approval. I feel like I'm living in a cage.**

It's important for parents to have a say in their children's lives, but it's also important for children to have autonomy. It's good that you're able to express your feelings to your mom. It's important for her to understand your perspective.
