Happiness birthday (April 12): This year you become even more insightful. People will want to hear your opinions on almost every subject. Your passion for active debate will increase. You will be able to clearly communicate your ideas, and people will be drawn to your enthusiasm for the future. You will think about the next generation and how you will affect them. This is a great day to share your thoughts and ideas with others. Your ability to inspire and motivate others will be at its peak.

Aquarius (Jan. 20-Feb. 19): You will feel more connected to the world around you. You will have a strong desire to make a positive impact. You may be thinking about ways to contribute to society or to help others. You will have a sense of purpose and a desire to make a difference. You will be more open to new ideas and perspectives. You will be more willing to try new things.

Sagittarius (Nov. 22-Dec. 21): You will feel more optimistic and adventurous. You will have a strong desire to explore new possibilities. You will be more open to new experiences. You will be more adventurous and willing to take risks. You will be more likely to try new things and to learn from your experiences.

CANCER (June 21-July 22): You will feel more connected to your family and friends. You will have a strong desire to spend time with loved ones. You will be more willing to share your feelings and to express your emotions. You will be more likely to take care of your physical and emotional well-being.

Leo (July 23-Aug. 22): You will feel more confident and powerful. You will have a strong desire to be in control. You will be more willing to assert yourself and to take charge. You will be more likely to make decisions and to take action.

Virgo (Aug. 23-Sept. 22): You will feel more focused and organized. You will have a strong desire to be efficient and to work hard. You will be more willing to plan and to organize your time. You will be more likely to be productive and to achieve your goals.

Libra (Sept. 23-Oct. 22): You will feel more connected to other people. You will have a strong desire to be in harmony with others. You will be more willing to compromise and to find common ground. You will be more likely to be fair and to treat others with respect.

SAGITTARIUS (Nov. 22-Dec. 21): You will feel more optimistic and adventurous. You will have a strong desire to explore new possibilities. You will be more open to new experiences. You will be more adventurous and willing to take risks. You will be more likely to try new things and to learn from your experiences.

CANCER (June 21-July 22): You will feel more connected to your family and friends. You will have a strong desire to spend time with loved ones. You will be more willing to share your feelings and to express your emotions. You will be more likely to take care of your physical and emotional well-being.

Leo (July 23-Aug. 22): You will feel more confident and powerful. You will have a strong desire to be in control. You will be more willing to assert yourself and to take charge. You will be more likely to make decisions and to take action.

Virgo (Aug. 23-Sept. 22): You will feel more focused and organized. You will have a strong desire to be efficient and to work hard. You will be more willing to plan and to organize your time. You will be more likely to be productive and to achieve your goals.
