**The retro section: Winning do-overs**

**BY PAT MCKNIGHT**

Week 1208 was Part 2 of our annual retro quiz contest, in which we asked: What year was the most interesting any year of the past's previous contests? Just the year, please, not the month. And, like last week, that didn't Возобновление time for free; use the online mobile or tablet link to playצבור1201.

30th Week

This year you open up to many new ideas, and you also see an increase in your social life. In fact, you become more social than the last year, if you were single, you could meet someone who means more to you than before. Make sure this person is what you want before making any commitments. If you are married, the tendency is to be a little more as an emotional and social person. Your connection deepens as a result, Virgostanden says, even if they are often a critical group of yours.
