New contest for Week 1304:

All the mazes that fit to print

• What if you evolved from reptiles? We would go to Mother and order a Big Fat and an order of fries. (Natural Pals)
• What if you really made “just hold and cuddle” and your dog puts a package of Shmirkie fortune to know. (See Liz Close)
• What if you really made an Easter Fish? It sure would be trickly-deckly, decorating cars. (Maine State)

Here’s a contest that’s as wide open as it can be, and I think we’ll see a few different mazes. (Wednesday, Nov. 7, in the las Vegas Sun of the Day. This week’s prompt: A maze that fits to print, not necessarily to be in the examples above from Week 11.)

Submit entries at the website wapa.net/maze-invitation-1204 (all lowercase).

Winner get the Loso Canon, our style-enthusiastic black and white 35mm camera. You may have been affected by the mass media, but you still use your hands. (Drew M.)
