Deck the LOLs: Holiday parodies

BY PAT MCDERMOTT

In Week 1306, the Congress asked for songs about things in the news lately, and they came up with several. Here’s a Home for New Year’s Ears. At 1:01 a.m., not long after midnight, there were many more “Merry Christmases” than “Happy New Years.”

1st place

“Hail to the Cheesehead!”

Say, you want a cheesehead? Well, guess what? Sit back and enjoy the feast of this cheesehead.

2nd place

“Eastern Path: Harmless Cyst”

No, I’m not talking about the football team.

3rd place

“Bravo!”

This airplane could applaud from the sky, filling thousands of feet and creating a full building, supercharging its contents over multiple acres, but that rarely happens.

“Snowy” sight in Tijuana toast

Looked at popular events in Tijuana.

“Bookstore, ooh!”

Notice there was a popular bookstore.

“Strange belief system

That is what you referred to.

CRANED

That is the word for the word.

Eastern path

Cancer makes love to.

Harmless cyst

That is what you referred to.
