---

**HAPPY BIRTHDAY! (Dec. 1): This year, your high-energy career moves through many plateaus as well as good times. Your social life is more raucous than usual, but you can turn most of your attention to your career without losing yourself in the process. Your social life can become even more active as you get ready to hit the big time, but you won’t forget to have fun on the way to the summit. You need to be aware of the possibility of emotional vulnerability, as you might be more prone to emotional outbursts than usual. You should be aware of your potential for emotional vulnerability, as you might be more prone to emotional outbursts than usual.

**CAPRICORN** (Dec. 22-Jan. 19): You might be in a great position to get your thoughts and opinions heard in a more influential way. You might find that you are more likely to be able to express yourself clearly and effectively than usual, and you might be able to influence others more easily than usual. You might also be more likely to be able to influence others more easily than usual.

**PISCES** (March 21-April 19): Your confidence in a close loved one by the end of the week might be stronger than usual, but you might also be more likely to be able to express yourself clearly and effectively than usual. You might also be more likely to be able to influence others more easily than usual.

**ARIES** (March 21-April 19): You might be in a great position to get your thoughts and opinions heard in a more influential way. You might find that you are more likely to be able to express yourself clearly and effectively than usual, and you might be able to influence others more easily than usual. You might also be more likely to be able to influence others more easily than usual.

**LIBRA** (Sept. 23-Oct. 22): Your confidence in a close loved one by the end of the week might be stronger than usual, but you might also be more likely to be able to express yourself clearly and effectively than usual.
